DELUXE SHIP ERATO

From Athens

The elegant motor sailer Erato offers all the comfort and luxury to take you on unforgettable adventures by bike and boat in Greece. Named after the ancient muse of poetry, the yacht magically attracts the eye. You will immediately feel at home in the cabins clad in fine teak wood and the cozy salon. All six guest cabins are located below deck and feature en-suite bathrooms with separate shower stalls and WC.

In the salon you will find a well-stocked bar and there is plenty of room to socialize. In the outside area of the ship there are enough comfortable seats and berths for you to relax.

The friendly, service-oriented crew, with their love of seafaring, will make your vacation dreams come true.

Of course, this also includes typical Greek food, which is always lovingly served.
