Itinerary 2027

1st DayTrogir (Embarkation) – Brac

Individual arrival by car to Trogir or by plane to Split Airport, located about 3.5 mi./6 km away from the harbour of Trogir. After checking in on the motor yacht between 1 and 1:30 pm, the first cruise from Trogir to the island of Brac begins at 2 pm. If the weather permits, the boat will stop along the way for a swim stop. The night is spent in the charming harbor village of Milna.

2nd Day Island Vis (aprx. 20 mi./32 km)

During Breakfast the boat will bring you to the Island of Vis. Vis is the furthermost island from mainland Croatia. A Greek colony called Issa has been on the island 2,300 years ago. Due to its strategic location it was a military zone until 1995 and prohibited for foreign tourists. Today we have the opportunity to explore the lovely island by bicycle. After cycling the boat takes us to the Island of Korčula. Overnight stay in Vela Luka.

3rd Day Island Korčula (aprx. 37.5 mi./60 km)

Today we discover the island of Korčula by bicycle and enjoy our lunch break in one of the local restaurants. The calmness and remoteness, the vast vegetation and cypress gardens have given shape to probably the most beautiful Dalmatian island. Our cycle tour leads us via the village of Blato, like Rome build on seven hills, along a pass across Pupnat bay and finally to Korčula town, where we have time to take a walk through the wonderful old town with its narrow “fishbone like” alleys. We stay overnight in Korčula town.

4th Day Islands of Hvar (aprx. 12.5 mi./20 km)

In the morning the boat cruises to the island of Hvar while we enjoy our breakfast. Before arriving at the island Capital we have time for a swim from the boat and a relaxed lunch at anchor. Once on land we have time to soak in the atmosphere of the magnificent Renaissance Square of Hvar town and enjoy the view up to the Spanish Fortress situated high above the city. Our ride takes us from the city of Hvar to the most beautiful view points on the island and past fragrant wild lavender fields to the town of Stari Grad. Stari Grad is the second largest settlement on the Island of Hvar and well known for its protective harbour and beautiful stone facades. You will discover more of the heritage of the city during a guided city tour in the afternoon. The night is spent here.

5th Day Island Brač (aprx. 18 mi./30 km)

In the morning we cruise to the island of Brač, famous for its radiant, precious limestone that was used in part for the White House in Washington as well as for the construction of the German Reichstag building in Berlin. Once on Brač, we start our bike tour from Milna. Throughout our tour today will be rewarded with fantastic views over the neighboring islands before descending to the harbor of Postira. Here we can enjoy a relaxing afternoon with time to swim and a quite evening in this sleepy seaside town.

6th Day Omiš (aprx. 27 mi./44 km) or Rafting Cetina River

During breakfast the boat brings us to Omiš. Today we have the choice either to take a bus transfer to go rafting through the Cetina Canyon (not included in the tour price) or to make a bike tour around Omiš. The bike tour takes you once around the outskirts of the canyon with great views over the river and back down towards the sea. The rafting

group will be picked up from the boat by a bus and are taken to Omiš for the excursion. From here they will follow the river downstream in the rafts gaining a unique perspective of the canyon and its flora and fauna. Participants of the rafting trip are brought back to the boat in the bus after the activity. In the afternoon you will cruise to the Island of Solta where you spend the night in one of the quite local harbors.

7th DayIsland Šolta (aprx. 12.5 mi./20 km)

After a delicious breakfast we commence our last cycle tour. Walled fields, numerous olive groves, locust bean and fig trees line the roads. The herbal scent of rosemary accompanies us along our tour across the island. Our boat awaits us in Maslinica and we enjoy our last crossing back to Trogir where, if time permits, we can take a tour of the old town which is a world heritage site. The last evening aboard our ship follows a nice tradition. While enjoying a communal dinner in a cosy atmosphere you will have the chance for a last get-together with your crew and your tour guides.

8th Day Trogir (Disembarkation)

After breakfast disembarkation until 9 am and individual trip home or extended stay in Dalmatia/Croatia.
