Rock'n Ride: Top Trails and Dalmatian Lifestyle

The combination of MTB [&] Boat in South Dalmatia fulfils a bikers wildest dreams from trails to tranquil swim stops. A charming motor yacht with comfortable cabins and a traditional selection of cuisine is your floating home for the week. Explore the islands on your mountain bikes, and the tour guides can all tell plenty of interesting stories along the way. Honey and wine tastings along the way will give insight to the everyday life of the locals. Our aim is to stay off road. To save time and energy some ascends will take place on tar-sealed roads, which lead to rewarding trails, riddled with technical sections down to the sea. Descents can be technical and require experience but will spread a smile across the faces of the participants. After a thorough ride there is no better reward than to unwind in a rustic café before the boat collects you and brings you to the next picturesque setting.

TO NOTE: This tour runs alongside our regular cycling tour on the same ship on all departure dates — an ideal option for couples with different interests who still want to enjoy their holiday together. If there are more than twelve MTB guests, two certified MTB guides will accompany the group.

Itinerary 2027

1st DayTrogir (Embarkation) – Brac

Individual arrival by car to Trogir or by plane to Split Airport, located about 3.5 mi./6 km away from the harbour of Trogir. After checking in on the motor yacht between 1 and 1:30 pm, the first cruise from Trogir to the island of Brac begins at 2 pm. If the weather permits, the boat will stop along the way for a swim stop. The night is spent in the charming harbor village of Milna.

2nd Day Island Vis {{regular}}(A: aprx. 30 km/900 m of elevation;B: aprx. 25 km/670 m of elevation){{end}}

This morning we enjoy a cruise during breakfast to the Island of Vis. Vis is the furthermost inhabited island from mainland Croatia. A Greek colony called Issa inhabited the island 2,300 years ago. Due to its strategic location it was a military zone until 1995 and prohibited for foreign tourists. Today starts with one of the highlight rides of the week. Vis offers a great combination of off-road trails and historical sights and incredible ocean views along the way. We have plenty of time to enjoy the island and spend the night here.

3rd Day Island Korčula: Vela Luka {{regular}}(A: aprx. 29 km/630 m of elevation;B: aprx. 28 km/450 m of elevation){{end}}

In the morning we cross over to the harbour of Vela Luka on the island of Korčula stopping for a swim from the boat if the weather permits. We have some great riding on the program today with both groups starting off together on the northern tip of the Island. From the harbour we pedal along some coastal trails before continuing along a mixture of asphalt and gravel roads to the historical archaeological site of Vela Spila, an incredible cave rock formation. Here we divide into two groups: one group can enjoy an urban trail back to the harbour, while the second group descends on gravel roads. Back at the harbour we can enjoy a short coffee break before continuing in two groups for one last trail session on the southern tip of the Island. After a successful descent we enjoy a celebratory dinner on board and spend the night in Vela Luka.

4th Day Island Hvar: Hvar City – Stari Grad{{regular}}(A: aprx. 30 km/800 m of elevation;B: aprx. 21 km/460 m of elevation){{end}}

Arriving in the city of Hvar on the island of Hvar in the morning, we unload the bikes and start off on a great days biking. Our focus is to cross the island which we do on a variation of asphalt roads, undulating natural paths and gravel tracks. Along the way some great trail sections distract us from our uphill mission. Halfway across the island we enjoy a well-earned lunch at a local restaurant before reaching the highest point of the tour and choosing our descent down to the fruitful planes of Stari Grad where the boat awaits us in the harbor. In the afternoon you can learn more about this fascinating town during a professional guided city tour. The night is spent in the picturesque harbor town of Stari Grad.

5th Day Brač Island{{regular}}(A: aprx. 38 km/1000 m of elevation;B: aprx. 40 km/910 m of elevation){{end}}

Today features the longest trail of the week! During breakfast we cruise to the harbor of Milna on the Island of Brač where we unload the bikes and set off on our ride to the highest peak of the Adriatic islands. Our path leads us past olive groves, herb meadows and typical karstic formations such as sinkholes. The view from atop the 780 m high Vidova Gora is incredible. You can even have a look down on Bol and the iconic Zlatini Rat Beach - the Golden Horn. The descent into the valley starts out technical and becomes more flowy near the end on the Broken Glass trail. An alternative, less challenging path with incredible views can be taken also. Our destination is the seaside town of Postira

where we spend the night.

6th Day Omiš round tour {{regular}}(A & B: aprx. 44 km/800 m of elevation){{end}} or rafting

During breakfast the boat brings us to Omiš. Today we have the choice either to take a bus transfer to go rafting through the Cetina Canyon (not included in the tour price) or to explore the trails around Omiš. The rafting group will be picked up from the boat by a bus. From the starting point they will follow the river downstream in the rafts gaining a unique perspective of the canyon and its flora and fauna. Participants of the rafting trip are brought back to the boat in the bus after the activity. In the afternoon our boat will bring us to the Island of Solta, where we stay the night.

7th DayIsland Šolta – Trogir {{regular}}(A & B: aprx. 9 mi. /16 km, aprx. 1000 ft. /300 m of elevation){{end}}

In the morning, we enjoy our last cruise back to Trogir. From here, we take the bikes across the local bridge to Čiovo Island where we get stuck into our last bike tour. Čiovo is a sea of flowers and the aromatic scent of wild herbs hangs in the air. Here we enjoy riding the local cross coutry trails before we split into two groups. One group can enjoy a refreshing swim in the ocean while the other group continue on some enduro lines on the island. Afterwards there is enough time in the afternoon to enjoy the UNESCO World Heritage city of Trogir before enjoying a festive last meal on board in the company of your fellow travellers and guides.

8th Day Trogir (Disembarkation)

After breakfast disembarkation until 9 am and individual trip home or extended stay in Dalmatia/Croatia.

San Snova

The wooden motor yacht San Snova took its maiden voyage in 2009 and was constructed exclusively for Islandhopping. Built by hand over the course of three years, this was the last wooden passenger ship of its kind to be built in Croatia. The cabins are spacious and comfortable and furnished functionally. They are all air conditioned and include a private bathroom with a shower and WC.

The wood clad saloon emits a relaxing atmosphere which is carried throughout the boat with the many comfortable sitting areas on the ships decks. Sunning mats can be enjoyed on the sundeck. The professional crew on board run a tight ship and everything is held sparkling clean. Come aboard and enjoy a truly unique atmosphere on board this beautiful piece of craftsmanship.
