### Islandhopping Deluxe between Split and Dubrovnik

If you would like to experience the region of South Dalmatia in all its glory as well as Dubrovnik with its amazing city walls, this e-bike or hybrid bike and boat tour is an excellent choice for you! Discover this sparsely populated area of Croatia on board a charming motor yacht. Breath-taking scenic experiences and cultural attractions await you. The highlights of the trip include the town centre of Dubrovnik and Split, both of which are listed as UNESCO World Heritage Sites. We cycle the islands of Mljet, Lastovo, Korčula, Hvar, and Brač and get the opportunity to experience sea and land, culture and nature firsthand. The direction of this tour alternates each week.

ATTENTION: Should your preferred travel date be unavailable, we recommend taking a look at our tour "[Pearls of Dalmatia](#)" which takes place parallel to this tour. The same tour itinerary is offered on board our premium boat Romantica.

# Split - Dubrovnik

## 1st Day Split (Embarkation) - Omiš

Individual journey to Split. Check-in on board starts at 1 pm on the western shore of Split's harbor bay. Afterwards a guided city tour offers us the chance to see inside the former Palace of Emperor Diocletian and to learn about its transformation into the city which it has become. Crossing to Omiš, where we will spend the first night.

## 2nd Day Omiš - Island of Brač: Pučišća – Bol – Island of Hvar (aprx. 14 mi./23 km)

In the morning we cruise to the island of Brač, famous for its radiant, precious limestone that was used in part for the White House in Washington as well as for the construction of the German Reichstag building in Berlin. Once on Brač, we cycle from the picturesque harbour town of Pučišća, known internationally for its stone masonry college, across the island to Bol. Close by lies the famous "Golden Horn", a popular Croatian beach famous for its unique shape. Water lovers can enjoy a swim here before we continue on by boat to Stari Grad on the island of Hvar.

## 3rd Day Hvar Island: Stari Grad - Hvar – Island Vis (aprx. 12 mi./20 km)

Today's cycling tour on the Island of Hvar leads us from Stari Grad through lavender fields and small villages to the island's capital, Hvar, on the opposite side of the island. Marvel at the magnificent Renaissance Square and enjoy a view up to the Spanish Fortress, towering high above the town. Make sure to take the time to go for a little stroll through Hvar town before boarding the boat for the next crossing. From Hvar we continue by boat to the island of Vis where we spend the night.

## 4th Day Island Vis – Island Korčula (aprx. 20 mi./32 km)

Vis is the furthestmost inhabited island from mainland Croatia. A Greek colony called Issa settled on the island 2,300 years ago. Due to its strategic location it was a military zone until 1995 and prohibited for foreign tourists. Today we have the opportunity to explore the lovely island by bicycle. From the town of Vis we cycle once around the entire island with a coffee stop in the harbour of Komiža and a possibility for a traditional lunch along the way before returning to the boat. After the tour, the boat takes us to the harbour of Vela Luka on the Island of Korčula where we spend the night.

## 5th Day Korčula Island: Vela Luka - Korčula town (aprx. 37.5 mi./60 km)

Today's cycle tour leads us across the charming island of Korčula all the way to Korčula town. A mild Mediterranean climate and a vast variety of different landscapes await us on this spectacular island. Take your time and don't forget to take a break to enjoy the view over the deep blue sea and neighbouring islands. The picturesque town of Korčula competes with Venice for the honour of being the birthplace of the famous explorer Marco Polo. Spend the evening wandering through the fishbone alleyways and soak up the atmosphere of this stylish town. A guided city tour will give you an overview of the city and its history.

## 6th Day Island Korčula – Island Mljet (aprx. 20 mi./33 km)

A relaxing morning cruise brings us to the harbour of Pomena on the Island of Mljet. With 70% of its landmass being covered by woodland it is the most forested island in the Mediterranean region. Homer mentioned this lovely island in his epic poem the "Odyssey", making it the home of the Nymph Calypso and the legendary Greek king Odysseus, who,

unable to resist Calypso, stayed on Mljet for seven years. Today's ride takes place in the afternoon and stretches almost the entire length of the Island. We meet the boat in Sobra and cruise to the island of Sipan for the night.

### **7th Day Sipan Island – Dubrovnik (aprx. 7 mi./11 km)**

Sipan is the largest of the Elaphiti Islands, yet still humble in size. What it lacks in size, it compensates in charm. A great place for our last bike tour of the week. After returning to the boat we can look back on an eventful week whilst enjoying our last cruise to our final highlight of the week: the city of Dubrovnik! After our arrival in Dubrovnik there is plenty of time to explore the UNESCO World Heritage city and to take part on a guided city tour. A cheerful evening meal on board the boat provides plenty of time to celebrate the wonderful week with fellow travellers and tour guides.

### **8th Day Dubrovnik (Disembarkation)**

After breakfast disembarkation until 9 am and individual journey home or extended stay in Croatia.
