### Epic Trails of the Aegean

Get your legs pedalling and discover the Central Greek Aegean by mountain bike and boat! The islands are a magical and mythical world brimming with stories and cultural wonders. Packing, unpacking and re-packing your bags is a thing of the past, our beautiful boat is your floating home, restaurant, and transport for the duration of your stay.

From summiteers to water lovers, the tour caters for all. We discover natural pathways and trails across the islands of Kos, Kalymnos, Leros, Lipsi, and Patmos by bike. After the tours, the boat drops anchor in peaceful bays so that we dive into clear blue sea from the deck. Evenings can be whiled away strolling through picturesque harbour towns or relaxing in a rustic bar while enjoying your drink of choice.

TO NOTE: This tour sometimes takes place prallel to our e-bike tour on the same boat. This is perfect for travellers who wish to spend their holiday together, but do not share the same riding preference.

# Itinerary

## 1st Day Embarkation in Yalı Çiftlik (Bodrum District)

You arrange your own flight to Bodrum Airport. Transfers to the ship's pier can be organized upon request (approx. 50-minute drive). Your journey begins in Yalı Çiftlik, a small village located about 14 kilometers from Bodrum city. Check-in on board is possible from 2:00 PM. Your tour guide will be happy to provide tips on how to spend the afternoon. Yalı Çiftlik offers a beautiful beach as well as scenic coastal hiking opportunities. Dinner on board and overnight stay in Yalı Çiftlik.

## 2nd Day Kos Island (aprx. 20 - 35 km, 450 - 800 m of elevation)

In the morning we cross over to Kos town and bike in the direction of the world-famous archaeological excavation site of the Asclepion in Kos, the former home of Hippocrates, the father of modern medicine. By bike we continue through fragrant pine forests on gradually ascending natural trails to the backyard mountain of Kos town. While riding along the islands ridge, we enjoy plenty of breath-taking panoramic views. Our descent takes us along diverse trails back to our ship. A wealth of cultural sights in Kos town provide an insight into the town's turbulent historical past including the Roman Forum, the Crusader fortress, and the mosques from the time when Kos was part of the Ottoman Empire. The evening can be spent in one of the numerous bars or cafes in the town.

## 3rd Day Leros Island (aprx. 32 km, 600 - 900 m of elevation)

We enjoy an early morning crossing to the scenic Island of Leros. Today's ride leads us to the fort of the Knights of St. John of Jerusalem in Agia Marina and on through the small alleyways of the town. Passing the picturesque town harbour, we cycle on to the seaside chapel Agios Isidoros, a popular place on the island to get married. Following the coastline, we reach a beautiful sandy beach where we stop for a swim and coffee. The highlight of the day is cycling the newly constructed Lighthouse Trail before returning to the ship. Once at the boat, we cast off for Patmos or a nearby bay.

## 4th Day Patmos Island - Lipsi Island (aprx. 15 - 20 km, 400 - 650 m of elevation)

Today we visit Patmos and its grotto on a short panoramic bike tour. It is said that St. John received the revelation during his captivity here. We continue by bike to the highest part of the island, to the town of Chora. The world-famous monastery of St. John of Chora is found here with numerous white alleys, and 34 churches and chapels. Another panoramic single trail through the scenic landscape leads us back to the harbour, where our ship awaits us for lunch and a crossing to the island of Lipsi. Enjoy the afternoon in the charming harbour town and be sure not to miss out on a visit to the legendary pastry shop!

## 5th Day Island Lipsi - Kalymnos Island (aprx. 10 - 20 km, 250 - 700 m of elevation)

In the morning we set off on our bikes and take a tour around the island of Lipsi. The island is perfect for all riding preferences, from easy-going natural trails to challenging technical rides. We can experiment with a broad variety of riding styles before returning to the port. In the afternoon, we sail on to the island of Kalymnos where we enjoy our overnight stay in a quite bay. In the afternoon we will cross over to the island of Kalymnos to the main port of Pothia, where we will spend the night today. The old town of Pothia still clearly shows the former wealth of its inhabitants acquired through sponge diving.

#### **6th Day Kalmynos Island (aprx. 40 km, 600 – 800 m of elevation)**

Today is a round trip by bike on Kalymnos on the program, on which we get to know the whole island, which has made a name for itself far beyond Greece's borders as a climbing paradise. We pass a surprisingly green valley for this barren island and enjoy wonderful views of the bay-rich coast. Back in Pothia, the ship awaits us for lunch and the crossing to Kos Town where we spend the evening.

#### **7th Day Kos Island – Bodrum/Yaliçiftlik(aprx. 12 mi./20 km)**

On the last tour of the week, depending on your mood, we bike to one of the many beautiful beaches in the vicinity of Kos Town to take another dip in the cool water or once again towards Mount Dikeos for an extensive final trail experience. In the morning we sail to Kos. Our last cycling tour begins here and leads either to one of the lovely beaches where we can enjoy a lengthy swim or once more to the backyard mountain of Kos. After lunch ashore, we enjoy our last cruise back to Yaliçiftlik. An evening meal is enjoyed together in the company of guides and guests.

#### **8th Day Disembarkation**

After breakfast disembarkation. Collective transfers to Bodrum Airport on request.
