# Itinerary

## 1st Day Embarkation Bodrum/Yalı Çiftlik

Individual arrival to Bodrum/Yalı Çiftlik harbour. A collective transfer from Bodrum Airport to the harbour is available for an extra cost on request. The ship Boreas starts in Bodrum harbour and the ship Admiral in the little town Yalı Çiftlik, which belongs to the city district of Bodrum. Check-in on board is possible from 2:00 PM. Your tour guide will be happy to provide tips on how to spend the afternoon. Dinner on board and overnight stay in Bodrum/Yalı Çiftlik.

## 2nd Day Kos Island/Kos Town (aprx. 21 mi./34 km)

In the morning we cross over to Kos town and bike in the direction of the world-famous archaeological excavation site of the Asclepion in Kos, the former home of Hippocrates, the father of modern medicine. We cycle along the coast until we reach the town of Kos. A wealth of cultural sights in Kos town provide an insight into the town's turbulent historical past including the Roman Forum, the Crusader fortress, and the mosques from the time when Kos was part of the Ottoman Empire. The evening can be spent in one of the numerous bars or cafes in the town.

## 3rd Day Leros Island (aprx. 13 mi./21 km)

We enjoy an early morning crossing to the scenic Island of Leros. Today's ride leads us to the fort of the Knights of St. John of Jerusalem in Agia Marina and on through the small alleyways of the town. Passing the picturesque town harbour, we cycle on to the seaside chapel Agios Isidoros, a popular place on the island to get married. We then cycle on to the boat before sailing for Patmos or a nearby bay.

## 4th Day Patmos Island – Lipsi Island (aprx. 13 mi./22km)

Today we visit Patmos and its grotto on a short panoramic bike tour. It is said that St. John received the revelation during his captivity here. The world-famous monastery of St. John of Chora is found in a village with numerous white alleys, and 34 churches and chapels. Following the coast, you will reach a sandy beach with swimming and refreshment facilities. The cycle tour then takes you back to the harbour, where the boat awaits you for the onward journey to Lipsi. Enjoy the afternoon in the charming harbour town and be sure not to miss out on a visit to the legendary pastry shop!

## 5th Day Lipsi Island – Kalymnos Island (aprx. 7 mi./ 11 km)

In the late morning we explore Lipsi by bicycle, gaining an impression of its rich agriculture as we follow the route once around the island. In the afternoon we will cross over to the island of Kalymnos to the main port of Pothia, where we will spend the night. The old town of Pothia still clearly shows the former wealth of its inhabitants acquired through sponge diving.

## 6th Day Kalymnos Island - Kos Island(aprx. 26 mi./42 km)

Today, a round tour by bike on Kalymnos is on the program, on which we will get to know the entire island, which has made a name for itself far beyond Greece's borders as a climber's paradise. We will also pass through a surprisingly green valley for this barren island and enjoy wonderful views of the bay-rich coast. Back in Pothia, the ship awaits us and the crossing to Kos Town for an overnight stay.

## 7th Day Kos Island – Bodrum/Yalıçiftlik(aprx. 13 mi./22 km)

Our last cycling tour leads to the Embros thermal springs, where we can have a lengthy swim. After lunch ashore, we enjoy our last cruise back to Yalıçiftlik. An evening meal is enjoyed together in the company of guides and guests.

# Arrival

## Embarkation Bodrum / Yalı Çiftlik

This tour begins and ends in Bodrum or Yalı Çiftlik. The ship Boreas starts in Bodrum harbour and the ship Admiral in the little town Yalı Çiftlik, which belongs to the city district of Bodrum.

Both ports of embarkation are most easily reached by flying to [Bodrum Airport \(BJV\)](#).

To reach your ship comfortably and without a long search, we recommend booking a transfer with us in advance. We will be happy to provide you with the relevant prices upon request.

## Berth Boreas (Bodrum Harbour)

Should you wish to make your own way to the boat, you will find the [Boreas](#) in the big yacht harbour (when looking out to sea, on the right-hand side of the fortress of St. Peter). Most commonly it will be moored next to the Datca Ferry dock. The specific mooring of the ships will only be decided the evening before the trip.

You can check in on board from 2:00 PM on the day of embarkation.

[Open Site Plan](#)

## Berth Admiral (Yalı Çiftlik)

Embarkation on the [Admiral](#) takes place in Yalı Çiftlik, a small village just under 14 km away from Bodrum town. As the village only has one pier, you can't miss the ship. The small jetty is located directly at the [Belediyesi YALI Fish Restaurant](#) (on the right side of the beach as seen from the shore). As soon as you stand on the beach of Yalı Çiftlik you will already see the boat.

You can check in on board from 2:00 PM on the day of embarkation.
