On the Trails of Myths and Legends

Exploring the southern Dodecanese islands by MTB and boat is an active vacation that is sure to put a big smile on any mountain bikers face! We spend a week on a charming motor sailer and travel to the most beautiful islands of the Southern Greek Aegean, relax in idyllic bays, bike through pristine nature and follow in the footsteps of an eventful and glorious past. By MTB we explore the towering volcanic crater of Nissyros and the variety-packed island of Tilos. Be captivated by the charm of barren Symi with its beautiful island capital. Visit the Hippocrates' Island, the most famous doctor of antiquity, who taught the art of healing on the island of Kos.

TO NOTE: This tour runs alongside our regular cycling tour on the same ship on all departure dates - an ideal option for couples with different interests who still want to enjoy their holiday together. If there are more than twelve MTB guests, two certified MTB guides will accompany the group.

Itinerary

1st DayBodrum (Embarkation)

Individual arrival to Bodrum harbour. A collective transfer from Bodrum airport to the harbour is available for an extra cost on request. Check in begins at 4 pm. In the evening, a shared dinner on board can be enjoyed in the company of your travel companions and tour guides.

2nd Day Bodrum – Yalıçiftlik – Kos{{regular}}(aprx. 45 km /800 m of elevation){{end}}

After breakfast we raise the anchor for a short cruise to Yaliciftlik. From here we start our first bike ride through the local pine forests to Camlik where we will have the chance to refresh ourselves with a short coffee break. We continue biking through silver-green olive groves to the small village of Etrim. Ancestors of the Turkmen tribes continue to live semi-nomadic lives in the region. We can marvel at their fascinating hand crafts and during a lunch break at a local restaurant we can discover some local cuisine. After lunch we return to Yalıçiftlik where we board the boat and cruise to the island of Kos. A wealth of cultural sights in Kos town provide an insight into the town's turbulent historical past including the Roman Forum, the Crusader fortress, and the mosques from the time when Kos was part of the Ottoman Empire. The evening can be spent in one of the numerous bars or cafes in the town.

3rd Day Kos Island – Nisyros Island{{regular}}(aprx. 30 km / 800 m of elevation){{end}}

After breakfast we start our bike tour with a visit to the world famous Asklepion, continuing through a fragrant pine forest on leisurely ascending natural trails up to Mt. Dikeo, the highest peak on the island. We continue along the ridgeline trail which offers breath-taking panoramic views of the Aegean Sea, quickly making us forget the effort. We then return to the ship along varied trails. In the afternoon we sail to Mandraki on the volcanic island of Nisyros.

4th Day Nisyros Island – Tilos Island{{regular}}(aprx. 36 km / 850 m of elevation){{end}}

Today's bike tour on Nisyros leads energy-saving first along asphalt roads up to the island's capital Nikia, 430 m above sea level and built directly on the crater rim. Be enchanted by the town's white houses and numerous pebble mosaics and enjoy the magnificent view of the volcanic caldera over a cup of coffee. We continue into the fascinating volcanic landscape of Stefanos Crater with its steaming sulphur springs. Afterwards, we take natural paths and a single trail back to the ship in Mandraki. Crossing to the neighbouring island of Tilos.

5th Day Tilos Island - Chalki island{{regular}}(aprx. 20 km / 700 m of elevation){{end}}

Our morning bike ride takes us first from Livadia to Megalochorio. Here, those interested have time to visit the pygmy elephant museum. Afterwards, we continue to the deserted village of Mikrochorio and along a spectacular coastal path back to the ship. After a delicious lunch we can relax on board while we sail to the island of Halki and enjoy the fresh sea breeze. The picturesque island capital of Chalki offers a first impression of the classic architecture style which we will see on Symi.

6th Day Chalki Island – Symi Island{{regular}}(aprx. 25 km / 750 m of elevation){{end}}

In the morning we sail to Panormitis Bay, which lies just off the island of Symi, to visit the local monastery. Afterwards, we head off for the other side of the island. Biking up several switchbacks, we slowly conquer the hill, allowing ourselves enough time to enjoy the picturesque views on the way up. Our destination is the island's capital, Symi, with

its classical cityscape and harbour. The evening is yours to enjoy as you please - a wonderful opportunity to explore the town at your own pace. You can round off the evening with a visit to a tavern.

7th Day Datça – Knidos - Bodrum{{regular}}(aprx. 45 km / 700 m of elevation){{end}}

From Symi it is only a stone's throw away to the Turkish Datça peninsula with the village of the same name. Here we head out on our last bike tour of the trip. We take scenic routes mostly along the coast of the Datça Peninsula to Knidos. After visiting the impressive archaeological site, we cross over to Bodrum. We say farewell to guests, guides, and crew with a festive evening on board.

8th Day Bodrum (Disembarkation)

Disembarkation after breakfast. Collective transfers to Bodrum Airport. If you wish to fly home from the Island of Kos, your ferry will depart at 9:30 am. Please ensure that your flight departure from Kos is no earlier than 1 pm.
