Itinerary

1st Day Corfu Island/Corfu city (Embarkation)

Individual arrival in Corfu and collective transfer from the airport to the ship. Check in on the Panagiota starts at 2 pm. The tour begins with a shared dinner on board. Night is spent on Corfu.

2nd Day Corfu Island – Paxos Island(aprx. 7 km by bike)

After breakfast we cast off and cruise to the olive island of Paxos. Paxos is the smallest of the seven Ionian Islands with a higher population of olive trees than people – 32 km² are home to over 250,000 olive trees! They cover the island in a wonderful silver green shimmer. The natural harbor of Gaios is unique and provides a special atmosphere during our stay here. In the afternoon, we take a short bike ride along the coast to Kaki Lagkada beach, where you can swim in the crystal clear Ionian Sea. The evening can be spent relaxing in a local tavern in Gaios.

3rd Day Paxos Island - Lefkas Island(aprx. 8 km by bike)

On our morning cruise to Lefkas City, on the island of the same name, we anchor near Antipaxos for a swim stop from the boat. After a long cruise we reach a narrow channel with an old swing bridge which connects the Greek mainland with the island. We start our tour around the lagoon from Lefkas City. Along the way there will be the opportunity to enjoy a second swim at the white sand beach, Agios Ioannis. After returning to the boat, we navigate our way to Nidri where we spend the evening and the night.

4th Day Lefkas Island - Cephalonia Island(aprx. 10 km by bike)

In the morning we cycle from Nidri through olive groves to a nearby waterfall. If we are lucky, there will be enough water to allow us to take a refreshing swim. Following the tour, we make our way to Fiskardo on the island of Cephalonia. This port, located at the northern tip of the island, is a true delight with its colourful little houses and many cafes and bars that line the picturesque harbour promenade. An evening walk, about 30 minutes long, leads us to a pretty lighthouse. Overnight in Fiskardo.

5th Day Cephalonia Island - Meganisi Island(aprx. 15 km by bike)

After a short crossing by boat we reach the harbour of Sami, where the day's bike tour begins. The route leads along the coastline to the enchanting Melissani Cave; accessible only by rowboat. A visit to a donkey farm with learning and fun for everyone is next on the agenda before the tour takes us back to the boat. The boat waits for us in Sami before taking us for a well-deserved swim break! We then continue on to Meganisi, a charming island, where we spend the night.

6th Day Meganisi Island – Arillas(aprx. 6 km by bike)

After breakfast we have the opportunity to explore Meganisi by bike. Afterwards a long crossing takes us to Arillas, an idyllic and peaceful place along west coast of Greece, which lies close to Perdika on the Greek mainland. A stroll along the sandy beach or a swim around Panagiota (the boat) rounds off the day. We spend the night in Arillas.

7th Day Arillas – Corfu Island(aprx. 12 km by bike)

In the morning, we head out on cycling tour along remote streets under the shade of old olive trees, through a national park and along a little river until we reach the monastery of Agios Athanasios, which we visit. The Panagioti waits for us before our last crossing back to Corfu. Here we can enjoy a celebratory evening meal and reminisce on the wonderful week adventures.

8th Day Corfu Island/ Corfu city (Disembarkation)

After breakfast, check-out, collective transfer to the airport on request. Individual return home, or holiday extension on the island of Corfu.

The M/S Panagiota is a lovingly restored motor sailor and was originally built in the shape of a traditional Greek caique. With a warm, 'Welcome on Board', the crew greet the arriving guests.

A splendid teak wood deck, a cozy saloon with stained glass windows, comfortable seating areas throughout the ship and sunning mats on both of the sun decks provide a true sense of familiarity and home.

Six of the charming cabins are located below deck and four above deck. They are named after popular Greek islands and are furnished functionally and are incredibly comfortable.
