Off-Road Adventure on Croatia's Largest Peninsula

„The heart of Europe" is what the Istrians call their peninsula. This is where Central Europe and the world of Mediterranean meet. Explore this unique coastal destination for one week on your mountain bike_____

TO NOTE: This tour runs alongside our regular cycling tour on the same ship on all departure dates - an ideal option for couples with different interests who still want to enjoy their holiday together. If there are more than twelve MTB guests, two certified MTB guides will accompany the group.

Itinerary

1st Day Omišalj (Embarkation) – Cres Island

Individual arrival to Omišalj, a charming pirate's nest on the island of Krk. If you decide to arrive by car, we can gladly organize a secure parking space for your car for the week. If you are arriving from Zagreb, we can also arrange a transfer for you to the harbor of Omišalj. Check-in on board is possible from around 2pm. Once we have made ourselves comfortable in our cabins, we enjoy the first crossing to Cres. Our destination is the island capital of the same name, where we spend the night. The Venetian-influenced old town of Cres, with its beautiful alleys and many churches, entices you to take an extensive evening stroll.

2nd Day Cres – Pula (aprx. 40 km /500 m of elevation)

In the morning we enjoy our breakfast on board with a pleasant morning cruise to Pula. In the afternoon we explore Cape Kamenjak with its great diversity of pedal trails. The Park also has more than 30 bays with a rich flora and fauna which enrich our visit. After our afternoon on the bikes we return back to Pula where we can take part on an inspiring guided city tour before enjoying our evening exploring the town further at our leisure. The night is spent in Pula.

3rd Day Pula - Vrsar – Poreč (aprx. 27 km /250 m of elevation)

In the morning we enjoy our breakfast on board with another pleasant morning cruise this time to Vrsar. It is in Vrsar that the heartbreaker Casanova is believed to have sought temporary refuge from the husbands of his lovers. From here we bike along the Limski Channel, through forests, fields and vineyards and visit the small San Servolo bike park with a small selection of trails at varying levels. At the end of a great afternoon on our bikes we conclude our tour in the city of Porec. The town has a lively vibe with its long promenade and shopping streets. A visit to the famous Euphrasius Basilica with its magnificent early Christian mosaics is worth a visit and there is also plenty of time to go for a swim and relax in the afternoon. The night is spent in Porec.

4th Day Poreč – Novigrad (aprx. 60 km /800 m of elevation)

In the morning we follow the "Parenzana", an abandoned railroad line, which leads us to the famous artists' village of Groznanj. The picturesque artists' village is a medieval jewel in the Istrian hinterland. It awaits us with romantic alleys, flower-filled squares and diverse galleries that have made their home in old natural stone houses. From here we can experiment on a number of technical downhill trails before continuing along gravel roads through rural Istria to Novigrad, where we can enjoy the evening and spend the night.

5th Day Rovinj (aprx. 28 km /300 m of elevation)

In the morning the boat takes us to Rovinj during breakfast, the starting point of today's bike ride. Today's ride is less technical but very scenic with a beautiful beach as our destination. After a pleasant swim, we return back to the boat and with plenty of time to explore the city in the afternoon. In the evening a guided city tour reveals the secrets of the town before spending the night here.

6th Day Rovinj – Fažana – Rabac (aprx. 33 km /250 m of elevation)

Our morning bike ride takes us near the coast, mostly on natural forest paths and gravel roads to Fažana, with its

quaint little harbor and promenade lined with colorful houses. We board the boat and enjoy a cruise along the coast to Rabac. Here, located on a picturesque bay on the east coast of Istria, we can enjoy gorgeous white pebble beaches, crystal clear waters and a beautiful harbor. Not to be missed is an evening cocktail in a local bar.

7th Day Krk: Njivice - Omišalj (aprx. 41 km / 480 m of elevation)

In the early morning, we cross to the island of Krk, where a final tour awaits us. The route will lead us from Njivice to Omišalj with some great trail sections along the way. The largest island in Croatia and home of the delicious Zlahtina white wine impresses with its diverse landscapes. Don't miss the opportunity to cover yourself in the mineral rich mud in the bay of Soline – it will not only leave you looking ten years younger, but also makes for a wonderful holiday memory! Back in the harbor of Omišalj, our boat awaits us with a delicious last evening meal on board which can be spent in great cheer in the company of the fellow travelers, crew and guides.

8th Day Omišalj (Departure)

After breakfast it is time to check out of the hotel. Individual journey home or extended stay in Croatia.

Linda

The wooden motor yacht, Linda, was reconstructed in 2006 especially for Islandhopping and all of our know-how was invested in the project. Wooden clad cabins, of which three are below deck and eleven above deck, as well as a spacious and functional saloon with wooden tables and upholstered benches give the Linda a homely atmosphere.

The various decks provide a generous amount of space for the guests to relax on board. The sundeck is fitted with comfortable sunning mats so that the panoramic view from the top of the boat can be enjoyed to the fullest. Good weather offers the opportunity to set the outside table for meal times.

The crew on board have worked together for many years and are a well-practiced team. Their smiles and helpful attitudes characterize the atmosphere on board.
