### Discover Croatia's hidden island treasures by bike and boat

Protected by the towering Velebit mountain range in the east and embraced by the Istria Peninsula in the northwest lie the Kvarner Bay islands. Quiet coves with crystal clear water surround the dramatic landscapes of the Kvarner Bay. Green hills and rocky moon landscapes give way to small harbour towns rich in both history and culture. Discover the charm of the Adriatic Sea by bike and boat on board one of our charming motor yachts. Be it the medieval city of Rab, the car-free road in the sky on Dugi Otok or the contemplative life of the dwellers on the flower island of Molat, each day brings with it something new to discover. Evenings are mostly spent in picturesque harbour towns with winding alleyways where a great range of bars and cafes provide the perfect spot for a relaxing evening.

TO NOTE: This tour sometimes takes place parallel to our MTB tour on the same boat. One tour guide leads the cycling group, the other the mountain bikers. This is perfect for travellers who wish to spend their holiday together, but do not share the same riding preference.

# Itinerary 2026

## 1st Day Omišalj (Embarkation) – Rabac

Individual arrival to Omišalj on the island of Krk. Board the boat between 1 and 1:30 pm. At 2 pm we embark on our first cruise on board the boat to Rabac on the Istrian Peninsula. The coastal town is surrounded by crystal clear blue waters and numerous cafes on the seaside promenade give an inviting impression. Explore the surroundings on foot and familiarise yourself with the boat and fellow travellers. The night is spent in Rabac.

## 2nd Day Rabac - Island Cres (aprx. 24 mi./39 km)

Today's bike tour starts with a steady climb from sea level to the city of Labin. Once at the top, we enjoy our first views over the Kvarner Bay and its islands. We cycle through the scenic landscapes of Istria and small rural villages before returning to Labin for lunch. After sampling our first locally cooked meal, we descend to the boat in Rabac and cruise to the island of Cres to the main town with the same name. A quaint harbour town characterized by its Italian architecture. The night is spent here.

## 3rd Day Islands Cres and Lošinj (aprx. 17 mi./28 km)

After breakfast we start our tour from the city of Cres to Martinšćica. The boat awaits our arrival, and lunch is served during the cruise to the island of Lošinj. If the weather is good, the captain will arrange a swim stop along the way before tying off in the harbour town of Mali Lošinj. The port with its colourful facades and numerous cafes offers its visitors a welcoming atmosphere for a relaxed evening.

## 4th Day Islands Lošinj and Ilovik (aprx. 12 mi./20 km)

We cycle along the seaside promenade to the south of Lošinj and visit the picturesque small harbour town of Veli Lošinj before returning to the ship for lunch. In the afternoon, we cross over to the island of Ilovik where we can enjoy a swim stop on anchor or at the local beach. We spend a peaceful night on this quaint island.

## 5th Day Islands Ilovik and Rab (aprx. 16 mi./25 km)

Today we enjoy a round tour through diverse landscapes on the Island of Rab. Starting from the old town, our tour takes us through alternating landscapes from coastal promenades to shaded forests and secluded bays. After returning to the boat, we can enjoy some free time in this enchanting town before taking part in a guided city tour. The night is spent in the town of Rab.

## 6th Day Island Krk (aprx. 13 mi./21 km)

In the morning, we cruise to Krk, the city capital of the island Krk, with its lovely old town. A round tour from the city of Krk takes us through the diverse landscapes of the island, inland from the coast through vast vineyards and small villages. Back in Krk we enjoy an evening exploring the alleyways with our guide and relaxing on one of many beautiful terrace bars near the sea. The night is spent in Krk.

## 7th day Island of Krk (aprx. 28 mi./45 km)

On our last full day, we cycle over the ridge of the island, covered by fragrant macchia, to a valley of vineyards and then

onwards to the small museum town of Vrbnik in the northeast. The town, built on a 50-meter-high cliff and surrounded by vineyards, is home to the famous white wine Žlahtina. Another peculiarity that Vrbnik has to offer is the second narrowest alley in the world. The tour leads on across the island through old villages and rich vegetation to Omišalj. Along the way we have a chance to swim in the bay of Soline. A cheerful evening meal on board the boat gives us time to celebrate the wonderful week with fellow travellers and tour guides.

### **8th Day Omišalj (Disembarkation)**

After breakfast disembarkation until 9 am and individual trip home or extended stay in Croatia.

Wooden clad cabins, of which three are below deck and eleven above deck, as well as a spacious and functional saloon with wooden tables and upholstered benches give the Linda a homely atmosphere.
