MTB adventure surrounded by green islands and roaring waterfalls

Venture into the heart of the national parks on this off-road adventure. Explore the virgin beauty of Croatia's protected scenic landscapes as you bike along mostly wide panoramic trails in the greenest regions of Dalmatia. This tour is a great way to get accustomed to biking off-road, with a reasonable number of kilometres and meters of elevation but not too technically challenging – the perfect tour for enthusiastic MTB novices with a bunch of great opportunities to practice various riding techniques. The hilly landscape with partly challenging slopes requires a good physical condition. The islands as well as the mainland vary greatly and offer a wide variety of trail terrain: wide natural paths as well as small side roads will be included in this tour.

TO NOTE: This tour runs alongside our regular cycling tour on the same ship on all departure dates - an ideal option for couples with different interests who still want to enjoy their holiday together. If there are more than twelve MTB guests, two certified MTB guides will accompany the group.

Itinerary

1st DayTrogir (Embarkation) – Rogoznica

Individual arrival either by car to Trogir or by plane to Split. Embarkation takes place between 1 and 1:30 pm. The first cruise starts at 2 pm leading us to Rogoznica - a village on a small island which is connected to the mainland by a dam. Here we spend our first night.

2nd Day Vodice - Island of Murter - Nature Park Telašćica {{regular}}(aprx. 30 km/300 m of elevation){{end}}

In the morning, we bike from Vodice to the island of Murter which is connected to the mainland by a lift bridge in Tisno. We pass the bridge and ride along the waterfront, passing by two very old coastal villages, until we reach a small dock from where the boat takes us on a cruise through the Kornati National Park. An archipelago in crystal clear water which is known for its rich aquatic fauna. Our destination is the nature park Telašćica. In the evening, a walk through the park leads us along the stunning cliffs of the island. The famous Silver Lake - known as the film location for the Winnetou movies - is also located in the park. Overnight stay on the Island of Dugi Otok.

3rd Day Island of Dugi Otok – Zadar {{regular}}(aprx. 30 km/450 m of elevation){{end}}

After breakfast we start our bike tour from the Telascica Nature Park, the starting point for today's bike ride along this elongated island. During the ride, we are treated to countless unforgettable views of the neighbouring islands in the deep blue sea. We meet the ship in Savar and board for a crossing to the city of Zadar, which for centuries was the political, cultural, and spiritual centre of Dalmatia. Once we arrive, there is the opportunity to take part in a walking tour during which you will find out all about this fascinating city while strolling through the winding alleys and the lively old town, characterised by 3,000 years of history. The night is spent in Zadar.

4th Day Islands of Ugljan and Pašman {{regular}}(aprx. 35 km/250 m of elevation){{end}}

During breakfast, the boat crosses the channel of Zadar to the island of Ugljan. We have plenty of time to explore the islands Ugljan and Pašman by bike, which are connected by a bridge. During our ride we are rewarded with beautiful views to the mainland and the Kornati Islands. After our bike tour, we sail back to the city of Šibenik on the mainland. Here we can enjoy some time swimming and exploring the quaint sea-side village.

5th Day Šibenik – Skradin - National Park of Krka{{regular}}(aprx. 29 km / 530 m of elevation){{end}}

After the morning crossing to Skradin, situated at the entrance to the Krka Canyon, you explore this area by bike. In the afternoon, take a small excursion boat into the Krka National Park to the famous waterfalls. Take plenty of time to explore this unique natural spectacle on foot. Tonight, you will spend the night in the tranquil harbor of Skradin.

6th Day Skradin – Primošten {{regular}}(aprx. 20 km / 360 m of elevation){{end}}

Enjoy your breakfast on a morning cruise to Primošten. Relax and enjoy your stay on board. After a swimming stop the lunch is served on board. Today's round tour starts in the afternoon from Primošten, where you will spend the night in the harbor and have some time to explore the town.

7th DayIsland of Šolta – Trogir{{regular}}(aprx. 20 km, 350 m of elevation){{end}}

In the morning, our motor yacht takes us to the island of Šolta. Walled fields, numerous olive groves, locust bean and fig trees line our way. The scent of rosemary accompanies us along our tour across the island. We load the bikes onto the ship in Maslinica and enjoy our last crossing back to Trogir, where we have enough time to visit the UNESCO World Heritage old town, before spending a cosy farewell evening on board the boat.

8th Day Trogir (Disembarkation)

Disembarkation takes place after breakfast, i. e. around 9 am. Individual trip home or extend your holidays in Croatia.
