Itinerary 2026

1st DayTrogir (Embarkation) – Rogoznica

Individual arrival either by car to Trogir or by plane to Split Airport, located approximately 6km from Trogir Harbour. After checking in on the motor yacht between 1 and 1:30 pm in Trogir we head off on our first cruise at 2 pm to Rogoznica - a village on a small island that is connected to the mainland by a dam. In the late afternoon, we adjust the bikes ready for cycling the next day. Dinner and first night in Rogoznica.

2nd Day Rogoznica – Vodice – Slanica – Nature Park Telašćica (aprx. 17 mi./27 km)

In the morning, we sail to Vodice, a popular holiday resort. It is here that we begin our first cycling tour, crossing the bridge to the island of Murter before continuing on to the Slanica on the northwest of the island. Here we board the ship once more and sail towards Dugi Otok. On the way we pass through the Kornati National Park, an archipelago in crystal clear water, known for its rich marine life. Our destination is Telašćica Bay in the Telašćica Nature Park. In the late afternoon there is the opportunity to go for a short hike up to the impressive, white cliffs that fall steeply into the blue sea below. In the bay of Telascica we can spend the evening swimming from the boat and the night is spent in the peaceful setting of the Telascica Nature Park.

3rd Day Island of Dugi Otok – Zadar(aprx. 28 mi./45 km)

After breakfast we start our bike tour from the Telascica Nature Park, along the almost car-free island of Dugi Otok to the bay of Božava, surrounded by pine forests, agaves, and tamarisks. Along the way we can enjoy the spectacular panoramic views across the stunningly blue sea. We meet the ship in Božava and board for a crossing to Zadar, a city which for centuries was the political, cultural, and spiritual centre of Dalmatia. Once we arrive, there is the opportunity to take part in a walking tour during which you will find out all about this fascinating city while strolling through the winding alleys and the lively old town, characterised by 3,000 years of history. The night is spent in Zadar.

4th Day Zadar – islands Ugljan and Pašman (aprx. 21 mi./33 km)
