The next 2 evenings will be spent at a private game lodge near Bandelierkop. After settling in, we will end our day with a bushwalk to get acquainted with the African bush before enjoying a cosy dinner in an African boma.

3rd Day Safari cycling (approx. 20 - 40 km, 150 - 300 hm)

Our first bike ride is an exploratory cycle through the bushveld. The aim of this safari cycle is to allow for first, personal encounters with African wildlife. The lodge has a wide variety of non-dangerous animals including giraffes, impalas, zebras, kudus, and many different bird species. Learn more about the lifestyle and habits of the different species as well as the tracking of animals. In the afternoon, you can join us for a sunset game drive or alternatively enjoy a relaxed afternoon next to the swimming pool. Dinner will be a unique South African experience served in the boma.

Includes: Bike tour, breakfast, lunch, dinner, game drive

4th Day Tzaneen (approx. 30 km, 500 m of elevation)

After breakfast we travel for 60 minutes to the start of our bike ride outside the town of Tzaneen. Tzaneen is a large tropical garden town in a high rainfall fertile region with tropical and subtropical agriculture taking place in a 20,000 square kilometers (7,700 sq mi) region. Our bike ride consists of a mix of easy flowing single tracks, gravel roads and jeep tracks through indigenous forest, circling dams with the possibility of a hippo sighting. On a special day you may

have the opportunity to spot Samango Monkeys and the rare Bat Hawk. After lunch we have a short drive to our accommodation for the next two evenings.

Includes: Bike tour, breakfast, lunch and dinner

5th Day Wolkberg Mountains (approx. 15 - 45 km, 420 - 650 hm)

The Wolkberg Mountains separate the highveld from the lowveld of Limpopo. It also contains some of the most intensive and well-established Avocado and Macadamia Nut farms in South Africa. Our bike route for the day is a circular one that passes through Pine and Eucalyptus plantations with splendid views of the surrounding mountains and farms. Lunch will take place at a local restaurant with picturesque views of the area. A relaxing afternoon awaits our guests with breath-taking views of the Wolkberg Mountains.

6th Day Blyde Dam and the Kruger National Park (approx. 37 km, 410 hm)

Our bike ride follows the Blyde River through the canyon to a spectacular viewpoint of the Blyde Dam. The Blyde River rises on the western slopes of the Drakensberg near Sabie in Mpumalanga and flows northwards past the town of Pilgrim's Rest for more than 62.5 mi./100 km, through a region of extraordinary beauty along the eastern escarpment and into the Blyde Dam which was completed in 1974. 7th Day Kruger National Park (Full day)

Today is our big Kruger Safari day. Although Kruger is renowned for the Big 5 (African elephants, black rhinoceroses, cape buffalos, African lions, African leopards), it has so much more to offer. Get your cameras ready to capture the special moments in one of Africa's largest national parks, which covers an area of 19,485 square kilometres. This wildlife sanctuary is like no other, its atmosphere is truly unique, capturing the authentic heartbeat of Africa. After our day in the Kruger National Park, we are treated with a delicious dinner. Take time to share stories and photos of your special day in the African bush.

The route follows the escarpment to Wonder View, which is said, on a clear day it is possible to see all the way to Mozambique. Visit a spectacular waterfall, before travelling to the Bourke's Luck potholes. The potholes were formed over centuries of water flowing from the Treur and Blyde River. From here it is a short drive to the famous Three Rondavels lookout point and onto our overnight stay overlooking this escarpment.

Includes: Bike tour, entrance to Lisbon Falls and Bourke's Luck Potholes, breakfast, lunch and dinner

9th Day Echo Caves and Nature Reserve (approx. 27 km, 330 hm)

Be sure to enjoy a last look at the striking panorama of the Three Rondavels before we hop onto our bicycles. Our route, which is mostly downhill, leads by numerous citrus farms. The Echo Caves marks the end of our tour. A local farmer stumbled upon this underground wonderland in 1923 whilst looking for his lost cow. We visit the cave before driving along the Abel Erasmus Pass and entering the Lowveld for our last evening. The adventure begins in the late afternoon with a game drive accompanied by an experienced guide. Dinner is served around a fireplace in an African boma where we can listen to the sounds of the African night.
